

## Hydraulic Exchange & Automation LLC

• PT-30-3000 ( 3/4 npt, 30 gpm, 3000 psi ) \$ 690.00

• PT-50-3000 ( 1 npt, 50 gpm, 3000 psi ) \$ 800.00

Optional Relief Valve :

• RV-3000 ( 0 - 3000 psi ) \$ 220.00

### FEATURES

- Flows up to 50 GPM
- Adjust in-line flow rates and pressures for max. system pressure
- Temperatures up to 240.°F.
- Direct reading
- Strong durable unit
- Standard NPT female ports
- Liquid filled @ 3000 PSI gauge
- Test pressure relief valve settings
- Good viscosity stability
- No electrical connections
- Maintenance free
- Optional adjustable relief valve
